

CLAC Best Performances

Home and Away Best Performances

Home BP's (records) are performances that have been set at our Home ground and Away BP's are those performances that have been set at any LAQ event on a different track.

All BP's must be validated;

- Home BP's achieved on Friday night competition must be validated by a committee member and results initialed on the sheet.

- Home BP's other than Friday night must be recorded on a ticket and validated by the official.
- All away BP's must be recorded on a ticket and validated by an official. The ticket must be presented to the CLAC Chief Age Recorder for validation.

n.b. BP's can only be broken in the event that you are contesting. No split times.
